## Short description:

Stackable tool and part boxes

## Description:

Stackable tool and part boxes with various divisions and either one sloped or all straight sides.  
I've included a quick print box that requires a piece of card/paper (195 x 95) placed in the base before use.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/tool-and-part-boxes> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
